Hurry up to apply in most awaited Challenging Quest

Dear Sir / Madam,

Greetings from ACMA!

Hope you and your team are safe.

We are happy to share that, German Association of the Automotive Industry (VDA) is now a 'Supporting Partner' for ACMA Awards 2020.

Further, considering the challenging situation at hand, ACMA management has decided to significantly reduce the application fees and make it convenient for members to apply. It is needless to state that this is being done without compromising on the strict norms of Awards process.

Now companies in medium, large and very large companies can apply for all applications for a plant with a single fee.

We have waived off the Award application fee completely for companies in Small category (less than Rs. 50 crore Company Group Sales Turnover for period of Apr 2019 to Mar 2020).

We are sure that you will come forward and apply for the awards in huge numbers.
